

PANACHE

CONCEPT:

PANACHE - EMBODYING EVOLUTION

Fashion is a way of expressing an inner truth or belief through clothing. Fashion has knowingly, unknowingly existed ever since the existence of clothing. Panache 2025 brings the opportunity to relive the bygone era and put forth some of the best trends that ever existed, or gracefully pull off the present trends. Spurt in creativity, panache, confidence and you are set to walk the ramp at Panache 2025. PANACHE, the fashion show event organized and promoted by the Malaviya National Institute of Technology, is driven by a vision to redefine style, expressiveness, charisma and glamor.
