

## **NSS CLUB**

### **RULEBOOK**

## **RECYCLE REBELS**

### ● **THEME:**

- ★ The vision of combining art, culture, and sustainability.
- ★ It encourages participants to showcase India's diversity by creatively reusing waste materials to represent the unique identity of each state.
- ★ Emphasizes environmental consciousness, highlighting the importance of recycling and reusing to build a greener, more sustainable future.

### ● **RULES:**

- ★ **Eligibility** : Teams to consist of 1-3 members.
- ★ **Guided Assembly**: Assemble all pieces as per the provided guidance.
- ★ **No External Assistance** : The use of mobile devices or the internet is strictly prohibited.
- ★ **Minimal Use of New Materials** : Use primarily waste materials and limit the use of new items.
- ★ **Time Limit** : Plan and complete your creation within a feasible timeframe (maximum of 5 minutes)
- ★ **Waste Segregation** : Avoid mixing different types of waste materials
- ★ **Aesthetic Appeal** : Ensure the final product is visually appealing and creatively decorated.
