

# DANCE CLUB

---

## RULEBOOK

### Catch the Vibe

Any number of participants are allowed to register.

- **Format**

- In this event, participants will come in pairs and face off against each other with the goal of impressing the audience and out-dancing their opponents
- They will listen to popular songs and perform their best hook step as soon as the music starts.

- **Rules**

- On spot registrations for the event will be allowed
- No performer will be allowed to compete twice
- The performers should make sure they keep distance and don't try to interrupt or sabotage the opposing performer in any way
- The performance must be limited to the stage area allotted at all times
- The audios will be played by the organizers and will be pre-decided, requests to play songs on participant demands will not be entertained unless the organizing team decides so
- The winner of each round will be decided by the organizing team based on the accuracy of the hook steps performed

- **Prizes**

- A small hamper of chocolates will be given to winner of each round
