BRAIN BLITZ

●THEME

- ★ Brain Blitz, the high-energy, single-player experience crafted to elevate your memory, focus, and IQ to their peak! Step into a thrilling sequence of puzzles and tasks that will test your mental agility and showcase your intellectual power.
- ★ It's simple! You'll be shown a variety of shapes, figures, numbers, and patterns on the screen. Your mission? Memorize them as fast as possible! Afterward, you'll be tested on your recall, and your performance will reveal your Intelligence Quotient (IQ).

●RULES

- ★ This competition consists of 3 rounds and the candidate clearing all 3 rounds will be our winner.
- ★ At the starting of every round you will be shown a sequence of certain names, figures, patterns, numbers, etc. in the form of ppt or video.
- ★ After that you will be provided with a paper of multiple choice questions related to the previously shown video or ppt and a certain time will be provided to you for attempting it.
- ★ Your test score will decide whether you will be eligible for next round or not.
- ★ Any kind of unfair means will result in your exclusion from the competition.

●PRIZES :Rs. 5000

- ★ Price money will be distributed among the top 3 winners.
- ★ Certificate of appreciation will be provided to all the winners.

● ROUND 1

- ★ **Opening** : A sequence of 100 names will be shown in the form of ppt. Among them, 80 names will be occurring once but 10 names will be occurring twice.
- ★ **Your task** : Identify 4 names out of the 10 repeated names and write them in the paper slip that will be provided to you.
- ★ **Result** : Candidate with the correct answers will be qualified for the next round.

● ROUND 2

- ★ **Opening** : A ppt will be shown consisting of certain patterns, numbers, figures, etc. in a specific order.
- ★ **Your task** : Observe them carefully and try to memorize them as much as you can, after which you will be provided with a paper of multiple choice questions.
- ★ **Catch** : In this round the ppt will be shown twice so try to make the best use of it.
- ★ **Result** : 20% of the total participants of the event will be qualified for the final round.

● ROUND 3

- ★ **Opening** : A video will be shown to you in which the audio and the visual are both of different context.
- ★ **Your task** : You have to be multitasking and try to memorize the things going on in the visual and audio separately by keenly observing them. Based on the video, you have to answer the questions written on the paper provided to you.
- ★ **Result** : The 3 top scorers will be our winners.
